BE A SAFE

Digital Citizen

Do not visit sites or apps you should not access.

Always get permission before going online.

KEEP IT PRIVATE

Do not reveal your password to anyone, except for your parents.

Hello!
my name is ...

Do not share any personal information with strangers.

Think before you post anything

- Do not let negative emotions affect your judgement.
- Your online posts may be easily misunderstood by others as it is hard to determine the true meaning of words and images.

DO NOT REPLY TO ANY STRANGER

If someone tries to talk to you and harass you, never reply to that person. Let a trusted adult know what is going on.

DO NOT MEET ANYONE YOU BEFRIEND ONLINE

Be safe.
You can never be sure who is on the other end of the conversation.

Stop

Think

Do
