Dear Parents/Guardians,

Through: The Principal 

Learning Journey to the Singapore Zoo

As part of experiential learning, the school has organised a learning journey for the Primary 1 students to the Singapore Zoo. The aim of this journey is to create opportunities that will allow students to build on their classroom learning experiences.

Post-visit, students will be engaged in a project on appreciating the wild life, capturing their findings and sharing the newly learnt information with their peers.

The learning journey will be conducted **during curriculum time** and the reporting and dismissal time for the day will remain unchanged.

Please refer to the schedule below:

Primary 1 classes Amber, Diamond, Jade, Emerald - Thursday, 21 September 2017

Primary 1 classes Pearl, Ruby, Sapphire, Turquoise - Friday, 22 September 2017

On the day of the trip, students are to be dressed in their **P.E. attire**. As there will be no lessons conducted, students are required to carry a small bag containing the following items:

- pencil case
- cap (optional)
- raincoat/poncho
- snacks and a water bottle

We look forward to an enriching outdoor learning experience with our students.

Thank you

Yours sincerely,

Nagina Sawant (Mdm)
