10 February 2021

Dear Parents/ Guardians,

TRACETOGETHER (TT) TOKEN DISTRIBUTION FOR STUDENTS BY END MARCH 2021

As part of the nationwide effort to distribute TT tokens for the purposes of contact tracing, MOE will be facilitating the distribution of tokens to students who have not collected theirs from the Community Centres/Clubs (CCs) earlier during the national distribution exercise. The school distribution will be carried out by end March 2021. Kindly note that the replacement of existing/lost tokens will only be done at the CCs.

The school will issue a TT Token to your child/ward only if the Token Request Form is submitted to your child's form teacher by **22 February 2021**.

TT tokens collect data to facilitate contact tracing to keep us safe during this pandemic. For more information on the TraceTogether Privacy Safeguards, you may refer to the following website: <https://www.tracetgether.gov.sg/common/privacystatement>.

Should you have any queries, kindly contact the school at Tel: 63857339. We appreciate your support in this nationwide effort to keep Singapore safe.

Yours sincerely,
