Dear Parents/Guardians,

SURVEY FOR PCPS PARENT SUPPORT ENGAGEMENT SESSION

At Punggol Cove Primary School, we strongly believe that a purposeful partnership with you can contribute significantly to the holistic development of our students.

Over the years, we are grateful for parent volunteers who have made time to support our teachers and students in learning journeys and school events such as National Physical Fitness Awards (NAPFA) tests and Teacher's Day. We would like to sincerely thank you for your commitment and enthusiastic support thus far.

Through these experiences, we recognise that fostering strong partnerships with parents through a more structured and purposeful approach could go a long way not only in support of school programmes but also create an inclusive environment that can positively impact student motivation and well-being. As such, we have decided to formalise our very own PCPS Parent Support Group (PSG) in 2024.

The PCPS PSG will not be possible without you, hence your views and suggestions are important to us. We are planning to conduct an Engagement Session to share more about our vision for PCPS PSG and to explore the potential of co-developing the PCPS PSG with you.

If you are keen to join us or find out more about PCPS PSG, please spare us a few minutes to complete a survey to help us plan the session better. You may access the survey at <https://go.gov.sg/pcps-psgengage> or by scanning the QR code below. It will be much appreciated if you can complete the survey by **Tuesday, 3 October 2023**.

Should you have any queries, you may contact me at Tel: 63857339 or nor_azilah_abdullah@schools.gov.sg.

We look forward to your support!

Thank you.

Yours sincerely,

Mdm Nor Azilah Abdullah
