SCHOOL HOURS

All P1 pupils and P2/P3 pupils must report to the school canteen and school hall respectively in the morning by 7.30 a.m. sharp daily. We seek the cooperation of all parents to help us to instil in our pupils the value of punctuality. All pupils are encouraged to arrive in school at least 5 minutes before the reporting time to give themselves time to settle in and get ready for the day.

OPENING HOURS OF SCHOOL GATES

MAIN GATE A (School Vehicular Traffic Gate)	6.30 a.m. – 7.00 p.m.
GATE B (Side Gate beside Main Gate A)	6.50 a.m. – 8.15 a.m. 1.15 p.m. – 2.00 p.m.
GATE E (Side gate towards LRT Station)	3.45 p.m. – 5.00 p.m. (Thu & Fri) 6.00 p.m. – 7.00 p.m.

Please advise your child which gate you will be picking fetching him/her up from daily.

Main Gate A is for vehicles ONLY. Pupils and parents walking to school are advised to enter the school through Gate B or Gate E (LRT Gate) for safety reasons. Beyond the stipulated gates opening hours, pupils and parents are advised to exit the school from Main Gate A.

On rainy days, school buses will have the priority to park at the porch area. Drivers will be directed to drive into the school only after the school buses have left.

Drawing reference to the media advisory released by National Environment Agency (NEA) on 19 November 2014, to safeguard the public health for our pupils and our staff, parents are reminded to switch off your engines while waiting to pick your children from the school.

SAFETY OF YOUR CHILD AT SCHOOL ZONE

As you approach the school along Sumang Walk, you would have noticed the red-textured surface and "SCHOOL" markings on the roads outside our school. These road safety measures are part of the School Zone Scheme implemented by the Land Transport Authority (LTA) to improve road safety for all primary schools. This scheme highlights to motorists that they are approaching a primary school and should therefore take extra care, slow down, and be alert to look out for school children crossing the road.

If you drive your child to school, please drop off your child and allow him / her to walk towards the school hall / school canteen by himself / herself so as not to hold up the traffic at the drop off point. As you may encounter heavy traffic during school days especially between 7.15 am to 7.30 am as well as during dismissal time in the afternoon, we seek your understanding to exercise patience when you bring or fetch your child to and from school.

If you walk your child to school, please set a good example by crossing the road at the designated pedestrian crossings e.g. traffic lights and zebra crossings located outside the school and enter via Gate B or Gate E (LRT Gate).

If your child must cycle to school, please ensure that he knows safe cycling rules and is a competent cyclist.

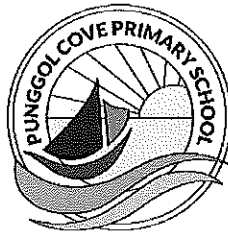

LTA has implemented the road safety measures to safeguard the safety of school children. However, it requires your cooperation to make them work effectively. The public road is a shared space for all road users; let us be more gracious and considerate the next time we are in a school zone. If you require more information on the School Zone Scheme, you can call the LTA at 1800-2255 582 or visit the One.Motoring website at www.onemotoring.com.sg.

PHOTOGRAPHY AND VIDEOGRAPHY

We would also like to inform you that throughout the course of the year, photograph(s) or video image(s) of you and your child may be captured at all school events. We may use and publish such photographs and/or video recordings in school publications, website, social media channels, and other official school communication channels. For clarifications, please feel free to contact the school.

**PRIMARY 3 TERM 3
HOLISTIC ASSESSMENT (HA)**

Holistic Assessment focuses on developing the whole child and seeks to build confidence and a desire to learn in children.

To assess the different learning outcomes, the school has developed a range of age-appropriate assessments to enable our pupils to demonstrate their acquired skills.

At Primary 3, other than various formative assessments where pupils receive feedback for improvement, they also sit for Semestral Assessment Papers for various academic subjects in Term 2 and Term 4.

For Term 3, there will be no Continual or Semestral Assessment Papers. Primary 3 pupils will continue with the various formative assessments for each subject and prepare for their Semestral Assessment Papers in Term 4.
